EXPERIENCE

Advised clients in energy, telecommunications, infrastructure, and national defense projects, including finance, public tenders, state contracts, concessions, and public-private partnerships. Represented clients in litigation, arbitrations and ADR.

Arbitration: Drafted requests for arbitration, memorials, and formulated strategic use of evidentiary issues, document production, cross examination, and participated in hearings of different ICC and Mexican Arbitration Center arbitrations related to oil and gas, joint venture agreements, and construction disputes.

Energy: Advised a reseller in a gas distribution project; a company concerning a power purchase agreement and the sale of electric power; negotiated contracts for the provision and maintenance of wind turbines.

Litigation: Represented a consortium claiming US\$ 50 million for the execution of a public-private partnership water project; a contractor in two administrative rescission proceedings arising out of two contracts for national security projects, and successfully secured the annulment of US\$ 8 million, and US\$ 2 million penalties imposed by the Ministry of National Defense to a national security contractor.

Telecommunications: Successfully advised telecommunications companies in all contractual and regulatory aspects to start operation in Mexico.

IBÁÑEZ PARKMAN ABOGADOS, Mexico City, Mexico
